IN THE SPOTLIGHT

From Inside Lacrosse to Sports Illustrated, the Terps are covered throughout the nation.

Current Terp associate head coach Jen Adams won the 2001 Tewaaraton Award as the nation's top women's lacrosse player, as well as the Honda Award for the second straight year. In 2001 she set the NCAA records for career points (445) and assists (174).

Terps AT THE 2005 WORLD CUP

WITH A ROSTER INCLUDING SEVEN TERRAPINS, AUSTRALIA WON THE 2005 IFWLA WORLD CUP IN ANNAPOLIS, MD.

In 2005, the International Federation of Women's Lacrosse Associations' World Cup was played in Annapolis, Md. With so many players having ties to the University of Maryland, the World Cup had a distinct Terrapin flavor.

At the championships, which were won by Australia, a total of 13 former and current Terrapin lacrosse players represented their respective countries. The champion Aussies featured seven Terrapin players, including Jen Adams (2001), Sarah Forbes (1997), Courtney Hobbs (2002), Sonia Judd (2003), Casey Magor (current), Tess McLeod (2004) and Sascha Newmarch (1998). In addition, five members of the American team played lax in College Park. Among them were Quinn Carney (2001), Randall Goldsborough (1996), Kelly Amonte Hiller (1996), Kristin Sommar (2000) and Jess Wilk (1990). Finally Laura Warren (2004) was a starting attacker for the Welsh team.

On the 12-member All-World Team, seven of those hailed from the University of Maryland. Of the 20 games played at the World Cup in which a Maryland Terrapin was on the roster, a Terp player was recognized as "Player of the Match" nine times. Forbes was named the tournament's "Most Valuable Player" for her efforts for the Aussies. Adams was the leading scorer among all players at the World Cup with 47 points on 21 goals and 26 assists. Her 26 assists set a new World Cup record.

Terps ON THE 25TH ANNIVERSARY TEAM

On April 13, 2006, the NCAA announced its Division I Women's Lacrosse 25th Anniversary Team. There were 13 women chosen to the team as 12 student-athletes and one coach were selected to represent the best NCAA women's lacrosse has ever seen. The Maryland Terrapins were extremely well-represented as six women involved with the Terp program were honored. Princeton and Virginia had the next most selections with two each.

Topping the list of student-athletes on the team is Jen Adams who played in College Park from 1998-2001. Adams is the all-time NCAA leader in career assists (178) and points (445) and was a national player of the year selection three times. In 2001, she became the first winner of the Tewaaraton Trophy. Adams holds every single season and career record at Maryland and won four national championships in her time as a Terp.

Also on the team is Kelly Amonte who was a three-time first-team All-American and two-time IWLCA Player of the Year after leading the Terps to a pair of national championships in 1995 and 1996. Sarah Forbes won three national championships, was a two-time first-team All-American and was the IWLCA Player of the Year in 1994. Alex Kahoe is the only goalkeeper on the team as she led the Terps to four national championships from 1997-2000. She was a first-team All-American and IWLCA Player of the Year in 1999 and 2000. Tracy Stumpf was a two-time first-team All-American and guided Maryland to the 1986 national title.

Cindy Timchal was honored as the team's head coach with her eight national championships at Maryland. She was a two-time National Coach of the Year and four-time ACC Coach of the Year. Timchal finished her time in College Park with a 260-46 record and is the NCAA's all-time winningest coach with 336 victories.

SEASON OUTLOOK

TERPS WILL USE EXPERIENCE TO LEARN NEW SYSTEM

Despite losing its leading scorer from a year ago, the 2007 Maryland women's lacrosse team will not have trouble putting points on the board. The Terrapins are returning 21 student-athletes from the 2006 squad and 70 percent of their scoring. Rounding out the terrapin roster are six freshmen and two transfers who will each add something special to the team.

Casey Magor

"Our roster is filled with talent and experience," said head coach **Cathy Reese**. "The team is well rounded and will display speed and skill at every position. Everyone has been working hard in the fall and winter to prepare for the 2007 season."

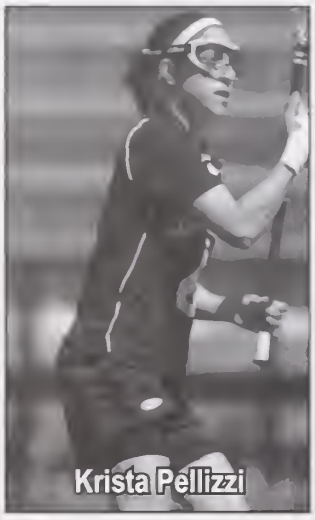
Reese took over the Maryland program in September following the departure of long time coach Cindy Timchal. Reese was a seven-time national champion with Maryland as a student-athlete and assistant coach and has known nothing but success as a Terp. In her first nine years at Maryland from 1995-2003, she accumulated a 169-19 record.

After not advancing to the NCAA championship game since 2001, Maryland's last NCAA title, Reese will look to bring the Terrapins back to the forefront nationally.

"Our goal is to win a national championship, however our focus is on improving each day," said Reese. We will take it one game at a time and look to grow stronger through the season".

Reese returns to her alma mater after heading the Denver program for three seasons. In 2006, she guided the Pioneers to their best season in program history with a 16-5 record. She was named the Mountain Pacific Sports Federation Coach of the Year and will look to translate her experience and success at Denver into success at Maryland.

"I am passionate and excited about the women's lacrosse program at Maryland. It is such a great opportunity for me to be able to coach at my alma mater for a program that means so much to me. My college experience was memorable and I want my student-athletes to experience what I did."



Krista Pellizzi

ATTACK

Maryland's top three scorers a year ago all earned IWLCA/US Lacrosse All-American status and two of them are returning for their senior campaigns. Midfielder **Kelly Kasper** and attacker **Krista Pellizzi** both started all 20 games for the Terps last season and notched 71 and 65 points, respectively. Kasper was a second-team All-American while Pellizzi was named to the third team.

In addition to Kasper's and Pellizzi's production, junior **Casey Magor** added 16 goals and 22 assists during her sophomore season. Pellizzi and Magor will anchor the attack this year and will be joined by juniors **Katie Princiotto**, **Lauren Cohen** and senior **Mollie Reese**. The Terps attack is loaded with expener and should prove to be one of the most prolific offensive units in the country.

Katie Doolittle

Junior transfer **Chelsea Kapp** will add speed to the attack and sophomor **Jenny Collins** and **Alex Mavris** will add depth and tenacity. Freshman **Ali Perki** will contribute with her ability to feed and find open cutters.

MIDFIELD

The Maryland midfield will be a strength for the Terps this season. Junior Kelly Kasper and senior co-captain **Katie Doolittle** return to lead the way coming off of strong 2006 seasons. Kasper had a breakout sophomore season scoring 44 goals and adding 27 assists. Her intensity and athleticism also make her one of the best defenders for the Terps in the middle of the field.

Doolittle will look to have a standout senior season after scoring over 30 goals in each of the past two years. In 2006, she was an IWLCA/US Lacrosse All-South and an All-ACC selection and will help to lead the team in the 2007 season.

Jen Greenberg

Kelly Kasper

Freshmen **Caitlyn McFadden** and **Amanda Spinnenweber** are expected to make an immediate impact at midfield. They will use their speed, stick skills, and overall athleticism to contribute on both ends of the field. Junior transfer **Dana Dobbie** brings a powerful combination of collegiate and national team experience and is one of the most creative and exciting players on the roster. Sophomore **Kearny Raver** will add speed and explosiveness to the transition game.

DEFENSE

The Maryland defense is not only talented, but extremely experienced and is anchored by junior goalie **Allie Buote** who started in all 20 games last season. Buote is a good communicator and her exceptional reaction time and vision of the field make her one of the top goalkeepers in the nation. Sophomore goalkeepers **Sarah Sommaripa** and **Lynne Cooper** add depth for the Terps and add another dimension to the strength of the defense.

Opponent offenses will have to get to the cage first though. Seniors **Becky Clipp**, **Jen Greenberg**, **Martha Raver** and juniors **Katie Pumphrey** and **Megan Cassara** all return for the Terps to provide leadership on defense. Clipp, Pumphrey, Raver and Casara will look to explode out of the defensive end and be the start of the Maryland offense. Greenberg, along with sophomores **Mindy Jones**, **Maeve McKew** and **Marie Moorman** all have excellent body positioning on defense and can read offensive players well. Their cohesiveness and experience with each other will translate into frustrated opponents on the attack.

Joining the Terps defensive unit this year are newcomers **Maggie Stout**, **Katie Gallagher** and **Karissa Taylor**. All three players are extremely athletic and excellent one on one defenders.

SCHEDULE

The Terrapins open the 2007 season at home for three straight games, beginning with the season opener on February 18 at the Field Hockey & Lacrosse Complex against Ohio. Following that contest are two crucial early-season ACC match-ups against Boston College and Duke University on February 24 and March 3rd respectively. The game vs Duke will be held at Ludwig field.

Allie Buote

From March 13 to March 24, the Terps will go non a four-game stretch that might be the toughest of the regular season. Maryland travels to Charlottesville on the 13th to face Virginia who won the ACC Tournament last season. Four days later, the Terrapins travel to New Hampshire to take on perennial power Dartmouth. Maryland then returns home ot play Johns Hopkins on the 21st and will play North Carolina at Chevy Chase Bank Field at Byrd Stadium on the 24th in a game televised nationally by CSTV.

Becky Clipp

The Terps will close out their ACC schedule in the final game of the season at Virginia Tech on April 21st. The ACC Tournament is slated for April 26-29 at the University of North Carolina.

In between the conference tournament and the start of the NCAA Tournament on May 13, Maryland will again take on Princeton on May 2nd in College Park.

The 26th Annual Division 1 Women's Lacrosse Championship will be held on campus sites on May 13th and 18th to determine the final four teams. The finals will be played at Franklin Field in Philadelphia at the University of Pennsylvania on May 25th and 27th.

CATHY REESE

HEAD COACH • FIRST SEASON • MARYLAND

Former Maryland standout Cathy Reese returns to College Park as the Terrapins' head coach with the responsibility of bringing the most successful women's lacrosse program in NCAA history back to the national spotlight.

Reese takes the helm of the Maryland lacrosse program after spending her first three seasons as head coach at the University of Denver where she guided the Pioneers to their most successful season in school history in 2006. Denver finished last season with a 16-5 record and rattled off 11-straight wins over the course of 43 days. The 11-game win streak was more victories than the school had seen in an entire season as its eight wins in 2003 was the most in a season for the Pioneers prior to last year.

For a program that saw limited success since its inception in 1999, Reese proved that she is a winner. With a 4-1 Mountain Pacific Sports Federation (MPSF) record, the Pioneers won its first-ever regular season championship in 2006. For her efforts, Reese was named the 2006 MPSF Coach of the Year. In addition, two of her student-athletes were also given season-ending awards as Denver sweeped the conference accolades. Kristie Leggio was tabbed the Player of the Year and Karen Morton was the Newcomer of the Year.

Leggio, Stephanie Greenlees, and Kelly O'Connell were each recognized as all-regional performers a year ago. It was the first time in program history that a Pioneer student-athlete was recognized by the IWLCA/US Lacrosse committee.

In her three seasons in the Mile High City, 11 student-athletes were named to the All-MPSF Team. Not only did her students excel on the field, but they also achieved in the classroom as Denver student-athletes were named to the Academic All-Conference team 11 times.

Prior to lifting the Denver program to national attention, Reese spent nine seasons in College Park, four as a student-athlete and five as an assistant coach. During that span, the women's lacrosse program had one of the most successful streaks seen in collegiate women's sports history. The Terps won seven national championships in her first nine years on campus. That is the third-longest streak in women's NCAA history in any sport.

When Reese first stepped foot on campus as a freshman, it was impossible to gauge how successful she and the Terps would be. Maryland did not lose in her first two seasons as a student-athlete, and it did not lose until midway through her junior campaign. In all, Reese and the Terps went 50-straight games without a loss. In her playing career, Reese guided the Terps to an incredible 75-4 record. In her first three seasons as assistant coach, the Terps went 65-1. Her total record with Maryland in her first nine seasons was 169-19. The Terps also made the NCAA quarterfinals in 2002 and advanced to the national semifinals in 2003 before Reese took the reins at Denver.

As a student-athlete from 1995-98, she was a two-time All-America selection. As a senior, she was tabbed the NCAA Tournament Most Valuable Player and was the second-leading scorer on that championship team with 58 goals and 25 assists. She finished her career with 140 goals, 77 assists, and 217 points. Her 77 assists is tied for eighth all-time at Maryland and her 217 points is 11th.

Reese graduated in 1998 with a degree in speech communications. She and her husband, Brian, have two children, Riley, who is two years old, and Brody, who was born September 24, 2006.

JEN ADAMS

ASSOCIATE HEAD COACH • FIRST SEASON • MARYLAND '01

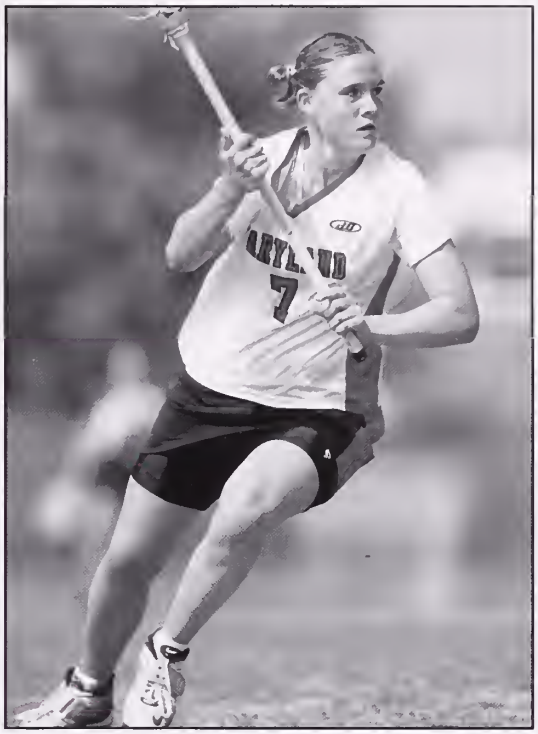
Jen Adams came over from Denver with Reese in the fall and serves as the associate head coach. Adams served as the top assistant under Reese in the Mile High City for three seasons.

Adams is arguably the greatest collegiate women's lacrosse player in the sport's history. She is the all-time NCAA leader in assists and points with 178 and 445, respectively. She owns every Maryland scoring record as she is the single season and career leader in goals, assists, and points. Like Reese, she played on four national championship teams. She was a three-time national player of the year and was first-ever winner of the Tewaaraton Trophy, given annually to the nation's top player. As a senior, she was the national leader in both goals and assists.

Adams was one of five Maryland student-athletes named to the Division I Women's Lacrosse 25th Anniversary Team last April.

This is not the first coaching stint at Maryland for Adams either as she was an assistant coach under Timchal in 2002 and 2003, helping lead the Terps to the national quarterfinals in 2002 and the semifinals in 2003.

After being hired in the fall, Adams said, "I couldn't be more excited to be given the opportunity to return to Maryland. It is an amazing opportunity to come back and work with the incredible student-athletes and staff, and to a place that I love and admire. I thank everyone at Maryland for this opportunity."



BRIAN MCGURN

ASSISTANT COACH • SECOND SEASON • GETTYSBURG '95

Brian McGurn, an accomplished player and coach, begins his second season in College Park as an assistant on the women's lacrosse staff.

McGurn came to Maryland after spending two years directing camps and clinics year-round for players of various ages in the Atlanta area.

Prior to his stint in Atlanta, McGurn spent two seasons as an assistant coach at his alma mater, Gettysburg College. As defensive coordinator, he helped the Bullets to the 2002 national championship game. That season, Gettysburg was fourth in the country in goals-against average.

McGurn began his coaching career as an assistant at Lynchburg College. After two seasons there, he went on to be the defensive coordinator for three seasons at Franklin and Marshall College. He was apart of a staff that helped rebuild the Diplomat program and lead the team a 9-6 record in 2001 - its first winning season since 1996.

As a player, McGurn was a Division III first team All-America defenseman in 1995 after earning honorable mention recognition in 1994. He was a three-time all-conference selection and was team captain as a senior. In 2001, he was invited to try out for the 2002 U.S. World Team.

A native of Northbrook, Ill., McGurn earned his degree in history from Gettysburg in 1995. He is currently completing his master's degree in educational leadership from Lynchburg College.

vs. George Mason
6-13

COLLEGE PARK, Md. -- Delia Cox scored a game-high five goals to help lead the fifth-ranked Maryland Terrapins past George Mason, 13-6, in women's lacrosse action Wednesday night in College Park. The Terps broke the game open with a late run in the first half and went on to out-score the Patriots 8-4 in the second to collect the victory.

The Terps (2-1) were up 2-0 midway through the first on goals from Cox and Kelly Kasper despite having three goals taken off the board on crease violations. The Maryland defense helped make the two-goal lead stand, though, courtesy of outstanding play in goal by Allie Buote. Buote made eight saves in the first half, including three on free-position shots. The Patriots did not get on the board until Melissa Curry connected on a pass to Laura King with just under five minutes to play in the half.

The Terps responded by scoring three goals in just 1:26 to pad the cushion to 5-1, but Curry tallied another GMU goal with :38 seconds left to make the margin 5-2 at the half.

Maryland then broke the game open with a 4-1 run in the first eight minutes of the second half, sparked by Krista Pellizzi and Casey Magor who each notched a goal and an assist in that span. George Mason's Sarah Bryant would make the score 9-4 with her second goal of the night, but that was as close as the Patriots would get. Cox scored two of the game's next four goals, and Katie Princiotto and Brooke Richards would add the others.

Kasper and Pellizzi each finished with three points. Katie Doolittle added a pair of goals, and for the third straight game, Magor scored a goal and an assist. Magor and Cox also helped Maryland to a distinct 13-8 advantage in draw controls.

The Terrapin defense helped force 13 of the Patriots' 27 turnovers, and the Patriots were just 14-24 on clears.

Game 4
Feb. 25, 2006
at Duke

7-9

Durham, N.C. -- The No. 2 Duke Blue Devils rallied from an early deficit and held off a strong comeback effort from the No. 5 Maryland Terrapins to win 9-7 Saturday afternoon at Koskinen Stadium. Delia Cox scored three goals and Kelly Kasper netted a pair to help lead the Terps offensively, and Allie Buote came up with a career-high 10 saves to hold the Blue Devils to nine goals in the game.

The Terps raced out of the gates with a 4-1 lead in the first 10 minutes of action. Cox registered two of those scores, and Kasper and Brooke Richards added the others. Duke then rallied for six-straight goals to close the half, including three in a 1:44 span from 7:30-5:46 in the first half. The Blue Devils would go into the half up 7-4.

Duke continued to stretch its lead in the second with a goals in the 31st and 33rd minutes. However, that would be the last tally the Blue Devils would score in the game. The Terps, though, were unable to mount a charge, in large part due to the play of Duke goalie Megan Huether, who stopped several Terrapin shots from point-blank range. Maryland started its rally in the 50th minute when Krista Pellizzi converted a free-position goal. Duke won the ensuing draw control, but Katie Princiotto forced a turnover and Kasper scooped up the loose ball and ripped a shot from outside the 8-meter arc for the score.

Duke again controlled the draw, and after a prolonged possession, the Terps got the ball after an errant Katie Chrest shot was picked up by Lauren Cohen. Cox converted on the offensive end to make the score 9-7 with just over three minutes left.

The Blue Devils again won a crucial draw control, and tried to stall, but Martha Raver intercepted a pass and gave the Terps another chance. However, Maryland turned the ball over and Duke managed to run out the clock to hold on for the win.

The Terp defense managed to hold 2005 Tewaaraton winner Katie Chrest to just one goal on the day. Rachel Sanford and Carolyn Davis scored hat tricks for the Blue Devils.

Maryland would then go on an important 4-0 run over the game's next 10 minutes to take an 11-4 lead with just under 20 minutes left in the game.

9-18

#7

COLLEGE PARK, Md. -- Kelly Kasper scored five goals and added four assists as the seventh-ranked Maryland Terrapins rolled past Virginia Tech, 18-9. Krista Pellizzi added eight points on five goals and three assists.

The Terps (9-3, 1-2 ACC) took an early 3-0 lead, highlighted by a goal by Casey Magor from Kasper. On the play, Kasper won the draw but the play was whistled dead. On the whistle, Kasper sent a pass ahead that bounced twice, was scooped up by Magor and promptly put it in the goal.

Virginia Tech's Stephanie Jones got the Hokies on the board in the eighth minute of play, but the Terps responded with another 3-0 run in which Kasper had two goals and an assist to Katie Doolittle. Britt Faulkner cut into the deficit with an unassisted goal with 8:30 left to play, but that would be as close as Virginia Tech would get. Delia Cox scored her first of two goals on the night and Pellizzi added two more in the final two minutes of the half to give Maryland a 9-2 lead.

Maryland continued to pour it on the second half scoring the first four goals in the first three minutes of action. The goals came off the sticks of four different players as Magor, Pellizzi, Doolittle and Brooke Richards each found the back of the net to stretch the Terrapin lead to 13-2 with still 27 minutes left in the game.

The Hokies would out-score Maryland 6-4 over the next 22 minutes of play, including three goals from Lindsay Pieper. The Terps then scored another highlight-reel goal when Pellizzi won a draw, raced down field and slipped a bounce pass on the turf and through the Virginia Tech defense to Kasper who finished for the score. Natasha Fuchs scored a hard-fought goal with just :22 seconds left in the game to complete the scoring.

Maeve McKew and Meghan Higgins each won four draws for the Terps, helping to contribute to the glaring 24-5 advantage. Maryland out-shot Virginia Tech, 35-21, and was a perfect 4-4 on free-position shots.

vs. Georgetown
#5 11-10 #6

COLLEGE PARK, Md. -- Georgetown's Brittany Baschuk scored the game-winning goal with :16 seconds left in overtime to lead the fifth-ranked Hoyas over No. 6 Maryland, 11-10, Wednesday night. Maryland's defense held Georgetown scoreless for 22 minutes to start the second half, but the Hoyas scored the last two goals in regulation to force overtime before Baschuk's score.

Krista Pellizzi scored three goals and one assist for Maryland, and Kelly Kasper added a hat trick for the Terps. Allie Buote stopped 12 shots for Maryland to help lead the Terp defense.

The two teams played an even first half, with neither squad ever getting more than a two goal lead. The Terps took a 5-3 late in the first half after a Pellizzi goal from Casey Magor, but the Hoyas responded with four goals in the final 1:34 of the half to seize the lead heading into the half.

The Terps did not let that run affect them in the second half, though, coming out with a 4-0 spurt to take back the lead. In the 32nd minute, Pellizzi lined up on the 8-meter arc, but dished to Magor on the whistle to net the score. After a prolonged Georgetown possession that ended with a save by Buote, Delia Cox found Kasper on a give-and-go that knotted the score at 7-7 with 23:02 left in the game.

Maryland took the lead on a pair of free-position shots before Stanwick put the Hoyas on the board for the first time in the half in the 52nd minute. Brooke Richards caught a tough pass and finished from just outside the crease on a feed from Magor just :14 seconds later to put Maryland up 10-8 with 8:20 left.

Georgetown was able to force overtime with a pair of late goals with 6:17 and 1:24 on the clock.

Kasper won the draw to start the second overtime period, but Piotrowicz forced another turnover to give the Hoyas a possession. Baschuk provided what would be the game winner on a strong move in front of the cage with just :16 second left in the period to lift the Hoyas to the win.

BALTIMORE, Md. -- Krista Pellizzi scored four goals and three assists to help No. 6 Maryland hand No. 2 Johns Hopkins its first defeat of the season, 14-11 Sunday afternoon at Homewood Field. The Terps led by five at that half and withstood a second half Hopkins rally to pick up the victory.

Katie Doolittle scored four goals and one assist for the Terps, and Delia Cox added a pair of goals and assists to help pace the offense. Kelly Kasper scored two goals and had a game-high three caused turnovers for Maryland. Allie Buote was solid in net for the Terps stopping eight shots and corraling five groundballs.

Maryland controlled the early portion of the game and took a 2-0 at 24:15. Hopkins (8-1) responded quickly, though, as it scored three unanswered goals to make it 3-2 with 18:53 left.

The Terps then rattled off five straight goals over the next 13 minutes to surge into command of the game.

Hopkins ended its drought with a goal at 5:29 by Mary Key. The goal cut the Maryland lead to 8-3. Both sides would score one more time to make it 9-4 heading into the half.

Putnam won the first draw of the half for the Blue Jays, and capitalized on the possession on a nifty goal by Key. Key took a pass from Walsh at the left edge of the crease with her back to the goal, faked a move, and then fired a behind-the-back shot for the score. Princiotto countered for Maryland with a free-position goal just over a minute later.

Hopkins went on a 4-0 run ending at 11:05 to move within one, 10-11.

Meghan Higgins came up with an important draw control for Maryland after the last Hopkins goal, and was fouled. On the re-start she got the ball ahead to Pellizzi who beat the Hopkins defense to put the Terps back up two.

Kasper scored again for Maryland after checking the ball from the stick of Houck, scooping up the groundball, and then took it the length of the field herself and scored. The goal pushed Maryland's lead to 13-10 with 7:52 left in the game.

CHAPEL HILL, N.C. -- Seventh-ranked North Carolina used a 4-0 run midway through the second half which proved to be the difference as the Tar Heels defeated No. 4 Maryland, 11-9, Saturday night at Fetzer Field. Maryland was paced offensively by two goals each from Delia Cox, Kate McWilliams and Krista Pellizzi.

The game was closely contested throughout, as neither team was able to get more than a one-goal advantage for more than three-fourths of the contest. Cox was handed a red card in the game's 34th minute, and UNC went on to outscore the Terps 6-4 the rest of the way, including that critical 4-0 run.

The two teams traded goals throughout the first half with Maryland taking a 5-4 lead into the break.

UNC quickly tied the game up in the second half after Lindsey Stover forced a turnover deep in Maryland's offensive zone, and UNC took the ball all the way down field and promptly put the ball in the net at 28:44.

The Terps then suffered several setbacks, the first coming at 25:37 when Cox was handed a red card, leaving the Terps without one of their top scorers for the rest of the game. The card was awarded on a UNC free-position shot. On the play, Cox high checked the stick of the Tar Heel player, resulting in contact to the head of the Carolina player by her own stick. Maryland then had a goal taken off the board on a crease violation just over a minute later. Richards was then also assessed a yellow card at 21:56.

UNC capitalized on the opportunities and took its first lead in over 29 minutes when Megan Freshwater and Kelly Taylor each scored on free-position shots to take a 7-5 lead with 17:03 left, and Juras and Freshwater also notched goals to cap a 4-0 UNC run with 14:04 remaining in the game.

The Terps halted the run and their own 21-minute scoring drought when Kelly Kasper passed it to Pellizzi from behind the cage on a re-start for the goal with 12:01. The Terps then pulled within two after Richards found McWilliams cutting to cage in the 54th minute.

NEWTON, Mass. -- Maryland's sixth-ranked women's lacrosse team erased an early 5-2 first half deficit to register a 13-11 victory over Boston College Saturday afternoon at Newton Campus Field. Kelly Kasper paced the Maryland offense with four goals and two assists.

Boston College took a 5-2 lead over the first 20 minutes of play, with three of those scores coming on free-position shots. However, Kasper helped Maryland pull even before the half ended with a pair of scores and an assist to Krista Pellizzi.

Elizabeth Kadison gave the Eagles a 6-5 lead with a goal in the 31st minute, but Maryland went on a 3-0 run over the game's next four minutes to take a lead it would not relinquish. Kasper again sparked the run with a goal and an assist, and Katie Doolittle and Casey Magor also tallied scores to give Maryland an 8-6 advantage with still 25 minutes to play.

Boston College's Margot Spatola scored an unassisted goal to pull within one, put the Terps then outscored the Eagles 4-0 over 11 minutes to take command of the game. Each goal came off the stick of a different Terp as Katie Princiotto, Doolittle, Delia Cox and Kasper each found the back of the net.

After Kasper's score with 11:49 made the score 12-7, Boston College's Spatola quickly scored off the ensuing draw on an assist from Kadison. Kadison then pulled the Eagles to within three :47 seconds later on a free-position shot -- BC's fourth free-position goal on the day.

The Terps came up with the next draw, and halted Boston College's momentum with Princiotto's second goal of the day, this coming off a feed from Magor to put Maryland up 13-9 with still 9:58 left in the game. The Terps managed to keep the Eagles off the board for over seven minutes until Lauren Fitzpatrick found the back of the net with 2:17 left in the game. Lizette Blohm put up a late Eagle goal with just :28 seconds left in the game, but it wasn't enough as the Terps held on for the victory.

BALTIMORE, Md. -- The No. 1 Duke Blue Devils used a 6-0 second half run to break a close game open and defeat the No. 5 Maryland, 19-9, in the ACC Semifinals Friday evening at M&T Bank Stadium. Delia Cox led all scorers with six goals, matching her career high for goals in a game.

A day after 10 players scored goals for Maryland, only three Terps managed to find the back of the net against Duke: Cox, Kelly Kasper and Katie Doolittle. Despite allowing 19 goals, Allie Buote made 11 saves in the cage for the Terrapins. Becky Clipp led all players with three caused turnovers and six groundballs.

After a Katie Chrest free-position goal, Kelly Kasper and Delia Cox followed with goals to take the 2-1 lead. The Blue Devils responded with a 5-0 run over eight minutes to take the lead it would not relinquish the rest of the way. However, Cox outscored Duke 3-2 over the final 13 minutes of the first half to pull within three at the half, 8-5.

The two teams traded goals early in the second half, but Duke blew the game open with a 6-0 run over 13 minutes to turn the three-goal deficit to nine. Leading 15-6, Cox scored her sixth goal of the day on a free-position shot, but Chrest convered a free-position shot of her own just over three minutes later.

Doolittle provided the offense down the stretch for Maryland with free-position goals, but it wasn't enough. Duke finished the game with goals from Kristen Waagbo, Allie Johnson and Kim Wathey.

CHAPEL HILL, N.C. - Fifth-seeded North Carolina scored the game's first four goals and went on to eliminate the Maryland Terrapins, 9-6, Sunday afternoon in the first round of the NCAA Women's Lacrosse Tournament. The Terps got four goals from senior Delia Cox, but it was not enough as Maryland ends the season with a record of 12-8.

In addition to Cox's four goals, Casey Magor and Kelly Kasper each chipped in a goal and two assists for the Terps. Cox finishes her brilliant Maryland career with 178 goals and 40 assists for 218 points. Her 178 goals rank fourth all-time at Maryland, behind only Jen Adams, Kelly Coppedge and Kelly Amonte.

Despite falling in the 4-0 hole, the Terps rallied to cut the deficit to just one going into the half. Kasper got Maryland on the board in the 22nd minute, and Cox scored unanswered goals making it 4-3 after 30 minutes. Despite an even number of shots taken by both teams, North Carolina goalie Kristen Hordy made six saves in the half to help maintain the Tar Heel advantage.

Maryland won the opening draw of the second half, but could not capitalize on the possession. UNC would go on to score back-to-back goals to stretch the lead to 6-3. The Terps would cut the Tar Heel lead to two goals three times in the second half, the last time coming when Cox made it 8-6 with her fourth goal of the day with 12:40 left in the game. Maryland had two offensive chances to get back to within one, but could not find the back of the net. After a Terp turnover in their offensive end, UNC got the ball downfield and Brooke Dieringer scored her third goal of the afternoon with just over six minutes left, helping to seal the Tar Heel victory.

Sophomore goalie Allie Buote finished the game with eight saves, including six in the second half. North Carolina was 3-6 on free-position shots, while the Terps were 0-2. The six goals scored by the Terps was the lowest this season.

MARYLAND
"STRIVE FOR CLARITY, BUT ACCEPT AND UNDERSTAND AMBIGUITY."
That phrase captures one way in which an educated person approaches the world and its challenges. Students who graduate from the University of Maryland have been exposed to the tools that allow them to put that perspective to work. Imparting such a perspective may be an ambitious project for undergraduate education, but to aim for anything less would be unworthy of a great university's goals for its students. Thirteen years ago, Promises to Keep, a plan for undergraduate education at Maryland, articulated those goals so eloquently we repeat them here.
Undergraduate education at Maryland "aims to provide students with a sense of identity and purpose, a concern for others, a sense of responsibility for the quality of life around them, a continuing eagerness for knowledge and understanding, and a foundation for a lifetime of personal enrichment."
As we learn with and from one another, we try to "develop human values," "celebrate tolerance and fairness," "contribute to the social conscience," "monitor and assess private and collective assumptions," and "recognize the glory, tragedy and humor of the human condition." Your years at the University of Maryland can provide you with all the tools you need to accomplish these goals. Students here are "educated to be able to read with perception and pleasure, write and speak with clarity and verve, handle numbers and computation proficiently, reason mathematically, generate clear questions and find probable arguments, reach substantiated conclusions and accept ambiguity."
AND WE ALSO HOPE YOU ENJOY THE JOURNEY.

THE UNIVERSITY OF MARYLAND

DEEP ROOTS, BROAD IMPACT

Charles Benedict Calvert founded the Maryland Agricultural College in 1856 with the goal of creating a school that would offer outstanding practical knowledge to him and his neighbors and be "an institution superior to any other."

One hundred and fifty years later, the University of Maryland has blossomed from its roots as the state's first agricultural college and one of America's original land grant institutions into a model of the modern research university. It is the state's greatest asset for its economic development and its future, and has made its mark in the nation and the world.

Calvert would be astounded by the depth and breadth of research activities, innovative educational programs, and the single-minded pursuit of excellence that are part of the University of Maryland today. Maryland is ranked 18th among the nation's top public research universities by *U.S. News & World Report*, with **31 academic programs in the Top 10 and 92 in the Top 25.** It is also ranked No. 37th in the world, according to the Institute of Higher Education at at Shanghai's Jiao Tong University.

Maryland is **the state's premier center of research and graduate education and the public institution of choice for undergraduate students of exceptional ability and promise. The faculty includes three Nobel laureates, six Pulitzer Prize winners, a three-time Emmy Award winner, 40 members of national academies and scores of Fulbright scholars.** The university focuses great attention on the highest academic standards, affordability for all qualified students, and a President's Promise program that guarantees opportunity for extraordinary extracurricular and professional experiences for each student.

It has earned a national reputation for its enriched educational experiences for undergraduates, including such widely imitated living/learning programs as College Park Scholars; Gemstone, a unique program that brings teams of students together from across disciplines to tackle specific technical problems; and the Hinman CEO Entrepreneurship Program, sponsored jointly by the A. James Clark School of Engineering and the Robert H. Smith School of Business, and widely recognized as the most successful student entrepreneurship program in the nation.

These programs are guided by outstanding faculty whose accomplishments in research abound. Whether the issue is Mideast peace, cutting-edge research in nanoscience, homeland security or bioscience advances, Maryland faculty are selected for national leadership and are making news. Many recent major faculty initiatives receiving significant external support strengthen our homeland security endeavors—centers for research on agrosecurity and emergency management; intermodal freight transportation security; behavioral and social analyses of terrorism and responses to terrorism; astrophysics and advanced world climate and weather prediction; and a national Center for Advanced Study of Language.

In addition to its academic prowess, Maryland is also home to the Terrapins, whose athletic achievements are a perennial source of pride for nearly 250,000 alumni and residents of the state. In 2005-2006, the Terrapins brought home national championships in four sports — men's soccer, field hockey, competitive cheer and women's basketball — more than any university in the nation.

In 2004, Maryland's School of Music hosted the National Symphony Orchestra in its first university residency, and its 2006 opera production was declared by the *Washington Post* music critic "... as good as any Bohème you are likely to see this side of the Metropolitan Opera or Covent Garden."

Whether aiming for the skies or pioneering journalism programs in China, the University of Maryland is surging ahead. Building on the work of outstanding faculty and students, and with the loyal support of alumni and friends, Maryland is moving aggressively and confidently to a decade that will shine brighter than any other in its history.

UNIVERSITY OF MARYLAND™

DR. C.D. MOTE

UNIVERSITY PRESIDENT
CALIFORNIA '59
EIGHTH YEAR

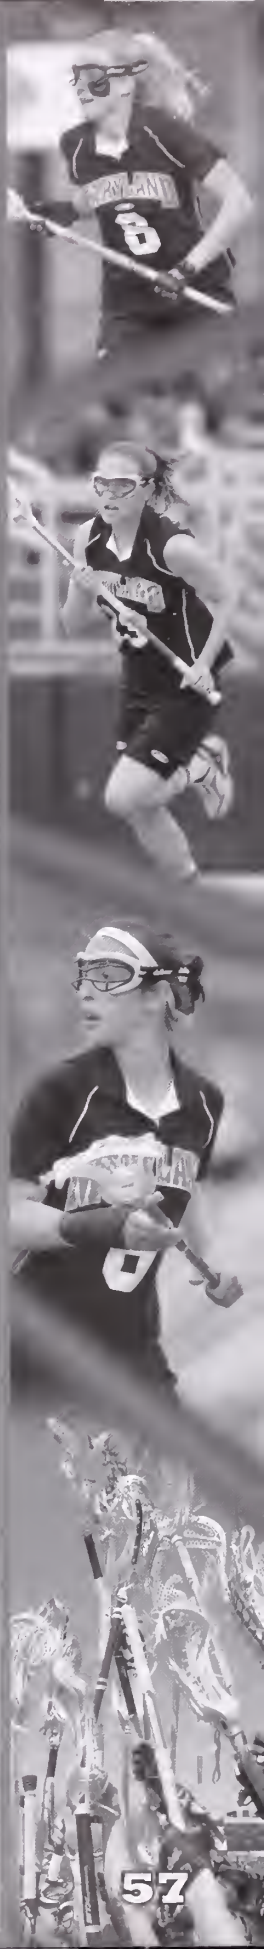
In September 1998, C. D. (Dan) Mote, Jr. began his tenure as President of the University of Maryland and Glenn L. Martin Institute Professor of Engineering. He was recruited to lead the University of Maryland to national eminence under a mandate by the state. Since assuming the presidency, he has encouraged an environment of excellence across the University and given new impetus to the momentum generated by a talented faculty and student body. Under his leadership, academic programs have flourished. In 2005, the University was ranked 18th among public research universities, up from 30th in 1998. President Mote has emphasized broad access to the university's model, enriched undergraduate curriculum programs and launched the Baltimore Incentive Awards Program to recruit and provide full support to high school students of outstanding potential who have overcome extraordinary adversity during their lives.

He has spurred the university to lead the state in the development of its high-tech economy, especially in the information and communication, bioscience and biotechnology, and nano-technology sectors. President Mote has greatly expanded the university's partnerships with corporate and federal laboratories and successfully negotiated to bring to the College Park area the first Science Research Park sponsored by the People's Republic of China. Under his leadership, the University has established a research park, The University of Maryland Enterprise Campus, M-Square, located on a 115-acre site adjacent to the University of Maryland/College Park Metro with 3 million square feet of development potential. Among its first tenants are the Center for Advanced Study of Language, a joint venture of the University and Department of Defense, and the National Oceanic and Atmospheric Administration's new World Weather and Climate Prediction Center.

During President Mote's second year in office, the University began the largest building boom in its history, with more than $100 million in new projects breaking ground that year. New facilities address every aspect of university life, from the arts to recreation to classrooms and laboratories, and, in creative partnership with the private sector, new residential facilities. Highlights of the construction activity include the stunning Clarice Smith Performing Arts Center; the Comcast Center, a state-of-the-art sports complex; a high-tech research greenhouse; and new classrooms for chemistry, computer science, business and engineering. President Mote also led the development of a new Facilities Master Plan for development in the next 20 years, which is noted for its emphasis on environmental stewardship.

Dr. Mote is a leader in the national dialogue on higher education and his analyses of shifting funding models have been featured in local and national media. He has testified on major educational issues before Congress, representing the University and higher education associations on the problem of visa barriers for international students and scholars and on deemed export control issues. He has been asked to serve on a high level National Academies Committee appointed at the request of the Senate Energy Subcommittee of the Senate Energy and Natural Resources Committee to identify challenges to United States leadership in key areas of science and technology and to be a member of the Leadership Council of the National Innovation Initiative, an activity of the Council on Competitiveness. He has served as vice chair of the Department of Defense Basic Research Committee, and is a member of the Council of the National Academy of Engineering. In 2004-2005, he served as President of the Atlantic Coast Conference. In its last ranking in 2002, "Washington Business Forward" magazine counted him among the top 20 most influential leaders in the region.

He and his wife of over 40 years, Patricia Mote, have two married children, Melissa and Adam, and four grandchildren. Patsy Mote has continued her strong support of the arts and is spokesperson for the Clarice Smith Performing Arts Center and a member of Prince George's County Arts Commission.



DEBORAH A. YOW

Deborah A. Yow is in the 13th year of her outstanding tenure as director of athletics at the University of Maryland, a tenure that has seen unprecedented success and achievement in Maryland athletics. Each year has brought steady and continued improvement and accomplishment in Terrapin athletics. In Yow's 13 years at Maryland, the Terrapins have won a remarkable 14 national championships and graduated student-athletes at an enviable rate as Maryland athletics has soared to sustained new heights among the nation's elite intercollegiate athletic programs.

The comprehensive success of Terrapin athletics under Debbie Yow's leadership is a clear and compelling testimony of her values of excellence, teamwork and accountability.

Likewise, her prior election to the presidency of the National Association of Collegiate Directors of Athletics is an indication of the wide respect with which she is regarded among its 6,100 members representing 1,600 colleges and universities in the U.S. and Canada.

She was honored recently by Street and Smith's Sports Business Journal as one of the 20 most influential people in intercollegiate athletics and she has received the Carl Maddox Sport Management Award presented by the United States Sports Academy for excellence in athletics administration.

Dr. Yow was selected to serve on the U.S. Department of Education's Commission on Opportunities in Athletics to review the status of Federal Title IX regulations. She recently served as the chair of the Atlantic Coast Conference Committee on Television. The committee is charged with overseeing the league's TV contracts and dealing with issues related to television. Yow led the committee during the successful renegotiation of comprehensive, multi-year ACC football and basketball contracts with ABC, ESPN, ESPN2 and syndication entities.

Additionally, she has represented intercollegiate athletics with presentations in a number of prominent settings such as the Harvard University School of Law conference on "Shaping the Future of Collegiate Athletics" and the Street and Smith's Sports Business Journal "National Forum on the Direction of Intercollegiate Athletics" in New York. She was also recently inducted into the State of Maryland Women's Hall of Fame and the North Carolina Sports Hall of Fame, joining fellow Terp Buck Williams as honorees.

Yow, who has served on the NCAA Management Council and the NCAA Division I Budget Committee, is a strong and steady voice on behalf of intercollegiate athletics in America.

Since taking over as AD at Maryland in 1994, she and her staff have:

- Transformed Terrapin athletics into a responsive, goal-oriented organization with 27 sports and more than 700 student-athletes.
- Balanced all 12 of the department's annual budgets (none of the budgets were balanced in the 10 years prior to her arrival). The budget has now reached $52 million annually and the multi-million dollar accumulated operating debt which her administration inherited has been eradicated.
- Greatly enhanced the academic support services provided for student-athletes, with an enviable exhausted eligibility graduation rate of approximately 85 percent for student athletes at Maryland.
- Led the Terrapins to a national all-sports ranking in the upper 7 percent of all NCAA Division I institutions.
- Significantly expanded marketing and fund-raising efforts on behalf of Terrapin athletics. As a result, private gifts to athletics have increased over 350 percent and corporate sponsorship revenues have increased by over 300 percent during her tenure at Maryland.
- Continued to dramatically improve venues and facilities for the department's 27 teams. The Comcast Center for men's and women's basketball and other sports that use the facility is a prime example of the dramatic upgrade of athletic facilities.
- Implemented a strategic management model.
- Developed a comprehensive Internet strategy with management, marketing and fund-raising applications.
- Significantly improved customer care in every area of Maryland athletics.

The most recent achievements of Maryland athletics are exceptional:

- Maryland captured a remarkable four national championships during the 2005-06 academic season.
- In 2005-2006, the Terrapins achieved the highest student-athlete graduation rate in the history of Maryland athletics.
- Maryland was selected by U.S. News & World Report as one of the Top 20 athletic programs in the nation (for overall quality and competitive excellence).
- In 2005-06, Maryland Athletics won the inaugural PRISM Award as the most well-managed Division I collegiate athletics program in the nation.
- In men's basketball, the Terps won the Atlantic Coast Conference title over Duke in the championship game in 2004 and won the NCAA National Championship in 2002. Under Coach Gary Williams, the men's basketball team appeared in 11 consecutive NCAA Tournaments.
- Maryland was ranked as the sixth-finest athletic program in the nation by the Laboratory for the Study of Intercollegiate Athletics, based on comprehensive criteria such as graduation rates, financial efficiency, equity effectiveness and competitive excellence.
- Women's basketball won the 2006 NCAA National Championship under head coach Brenda Frese, completing an amazing turnaround that saw the program go from a 10-18 record to a National Championship in four seasons.
- In football, the Terps won the 2001 Atlantic Coast Conference championship and played in the 2002 Orange Bowl, followed that with an 11-win season and a 30-3 victory over the University of Tennessee in the Peach Bowl, again followed by a 10-win season and a 41-7 win over West Virginia in the Gator Bowl on New Year's Day 2004. Graduation rates in football are near 80 percent and the program was recently recognized by the American Football Coaches Association for its academic excellence under Coach Ralph Friedgen. The 2006 season saw the Terps finish with a 9-4 record and a 24-7 win over Purdue in the Champs Sports Bowl.
- Additionally, Maryland is one of only two universities in the nation to win National Championships in men's basketball, women's basketball and football. Stanford is the only other NCAA Division I institution to achieve that mark.
- Set an ACC single-game record for women's basketball attendance by drawing 17,243 to a regular-season game at Comcast Center.
- Hired Dave Cottle, the third-winningest active men's lacrosse coach in the U.S., who guided his team to the NCAA Final Four three times in the past four seasons.
- Field Hockey earned National Championships in 2005 and 2006 and has become a perennial participant in the Final Four in that sport.
- Women's Lacrosse has continued its winning ways with seven national championships from 1995-2001, with additional Final Four appearances.
- Men's Soccer appeared in four consecutive Final Fours from 2002-05 and won the NCAA National Championship in the 2005 season.
- Football facilities have been significantly enhanced with team house, stadium and practice field upgrades. The Academic Center was the first improvement, as it took priority over all other initiatives.
- The Terrapins have moved into the new $125 million Comcast Center, housing athletic department offices and seating for 18,000 fans for basketball and other events.
- In 2005-06, 13 Maryland teams competed in postseason play.
- The productivity, morale, and the competitive and academic achievement of Terrapin athletics are exceptional and continue to gain momentum.

Regarding the many achievements of Terrapin athletics over the past 12 years, Yow says, "We are pleased, but we are not satisfied... our vision is to be one of the Top 5 programs in the nation consistently... we see no reason to settle for less."

Yow is known for her goal-oriented and proactive management style. She consistently inspires and challenges those around her to "raise our sights and sharpen our tools... to work hard and work smart... to recognize that our only limitations are those that we place upon ourselves."

As a manager and a leader, she clearly models these principles. She is the only known current AD in NCAA Division I who has hired both the National Coach of the Year in football (while at Maryland) and the National Coach of the Year in men's basketball (while at Saint Louis University). In 2002, she brought to the University of Maryland Brenda Frese, who at that time was the National Coach of the Year in women's basketball. Four years later, Frese led the Terrapins to the NCAA National Championship at the Women's Final Four in Boston.

She has authored numerous articles and books on athletics management and human behavior, and is a respected leader in intercollegiate athletics in the United States.

ACADEMIC SUPPORT AND CAREER DEVELOPMENT

The University of Maryland is committed to providing the highest quality education to all of its students. The Department of Intercollegiate Athletics strives to provide student-athletes excellent opportunities to participate in an intercollegiate athletics program of the highest quality, with the result that their athletics participation becomes an integral and valued component of their total educational experience at the university.

Terrapin student-athletes will find that the same hard work and discipline that has earned them success in athletics competition is also required in the classroom. Balancing the significant time demands and responsibilities required to be a successful student-athlete at the highest collegiate level is no small task. Therefore, as a result of their commitment to representing the university through athletics, Terrapin student-athletes are able to utilize support programs designed to meet their specific needs.

Led by associate athletics director Anton Goff, the mission of the Academic Support and Career Development Unit (ASCDU) is to provide quality developmental programs and need-based services that will enhance academic progress, facilitate career development, and encourage the psychosocial growth of all UM student-athletes. **Dena Freeman-Patton** (right) works with the women's lacrosse team.

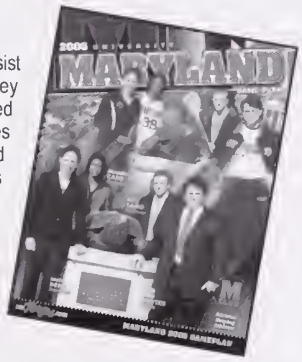
The Gossett Academic Support and Career Development Center for Terrapin student-athletes, named for long-time Terp supporters Barry and Mary Gossett, is located in the Comcast Center. It features a study center that includes 25 desktop computers, a tutoring center, a classroom, a CHAMPS/Life Skills resource room and individual offices for six professional academic counselors, a director of ILP programs, an assistant program coordinator and two graduate assistants. In addition, a new academic wing was added to the Gossett football team house last Fall. It features offices for two counselors, three learning specialist, and a graduate assistant; as well as a quiet study area, 29-desk computer lab, classroom, tutor rooms and classroom/lab for the individualized learning program.

Academic courses, programs and services offered by ASCDU include the following:

- Student-athlete orientation
- Academic counseling
- NCAA academic eligibility monitoring
- Academic enrichment and career development presentations and workshops
- Accredited tutorial support
- Individualized learning program
- EDCP 108-K (College learning strategies and skills)
- EDCP 108-M (Math learning strategies and skills)
- UNIV 100 (First-year transitions to the university)

MARYLAND GAMEPLAN

The Maryland Gameplan is intended to assist graduating Terrapin student-athletes as they begin the job search process. It is distributed to more than 500 corporations and businesses across the country, in addition to being featured on the M Club website. Prospective employers are introduced to our graduating student-athletes with resume information relative to academic, career and personal achievements. The Maryland Gameplan directory is produced annually in collaboration with the M Club.



CAREER NETWORKING NIGHT

Because career development is an ongoing process, ASCDU provides a variety of programs for student-athletes throughout the year. Professional assistance with resume- writing, interviewing skills, graduate school search and job search is readily available to all student-athletes. During the spring semester ASCDU hosts the Career Networking Night, where student-athletes can learn about career interests and career planning. Unlike typical "job fairs," the purpose of this program is to allow student-athletes to explore multiple career opportunities by speaking directly to individuals in their chosen areas of interest. Employers at the Career Networking Night recognize the marketable qualities student-athletes have gained through athletic participation. Student-athletes learn about opportunities for internships and full-time jobs.

STUDENT-ATHLETE ADVISORY COUNCIL

The Student-Athlete Advisory Council (S.A.A.C.) plays an important role in the Department of Intercollegiate Athletics. It consists of two representatives from each varsity sport and meets on a regular basis with representatives from the athletic administration. The S.A.A.C. mission is to enhance the total student-athlete experience by developing leadership skills, promoting student-athlete welfare and fostering a positive student-athlete image on the Maryland campus, local area and nationally.

CHAMPS/LIFE SKILLS PROGRAMS

ASCDU houses the NCAA's (National Collegiate Athletic Association) Challenging Athletes' Minds for Personal Success (C.H.A.M.P.S.) Life Skills Program. The ASCDU staff, in collaboration with various other Department of Intercollegiate Athletics' units and campus resources, strives to provide a systematic personal development program designed to reach each student-athlete based on his or her individual needs. The focus of the program is on the individual academically, athletically and emotionally, and on the changing needs and skills of that individual in the years during college and after graduation. The menu of presentations, workshops and seminars is a comprehensive and balanced system of "life learning" programs promoted for use by each varsity sport team.

HIGHLIGHTS OF THE CHAMPS/LIFE SKILLS PROGRAMS:

- Support efforts of every student-athlete toward intellectual development and graduation
- Use athletics as preparation for success in life
- Meet the changing needs of student-athletes
- Promote respect for diversity among student-athletes
- Enhance interpersonal relationships in the lives of student-athletes
- Assist student-athletes in building positive self-esteem
- Enable student-athletes to make meaningful contributions to their communities
- Promote ownership by the student-athletes of their academic, athletic, personal and social responsibilities

ACADEMIC SUPPORT FOR RETURNING ATHLETES PROGRAM

The Academic Support for Returning Athletes Program was created in 1986 to support the academic efforts of former varsity student-athletes at the University of Maryland, College Park. In 1989, ASRAP was assigned by the President's Office to the Academic Achievements Program and enrolled 40 students that year. As a member of the National Consortium for Academics and Sports (NCAS), the University of Maryland is committed to assisting its former athletes with degree completion. A key component of the program is community outreach. Each returning student completes a "workship" that allows the cost of tuition and fees to be exchanged for community services with youth. In 2002, ASRAP moved into the ASCDU.
